My name is Minette, I am passionate about my work and I have been doing beauty for more than 19 years, where during the last 9 years I have my own salon. I have national and international qualifications like ITEC, SAAHSP and CIDESCO. I have vast experience including working in Cape Town, Milnerton, Melkbosstrand, on cruise ships, and had the opportunity to work on a private island owned by Saudi Arabian Royals in the Red Sea. I am a very down-to-earth lady and I like to make new relationships with my clients, have fun, and just making sure that my clients are happy and walking out with a smile. It is with great pleasure that I am now based in McGregor to nurture what your soul and body needs and to make you feel good about yourself.
